PACKAGING INSTRUCTIONS TO RETURN A JETCAT TURBINE FOR REPAIR

- ✓ Pack the engine/ECU/Pump in its original box. If the box is not available, take care to wrap the engine/ECU/Pump and accessories with adequate material to support them.
- ✓ Pack the engine and related items in a strong box for shipping. Mark the outside of the box with handling instructions.

Example:

"Handle with care" or "Fragile- Delicate Instrument" and send to
